## **A BIT OF HISTORY ABOUT OUR GAZEBO**

Maglin Nippert, a cherished member of our church community, passed away in July 2008. Her contributions were numerous, including her role as a board member alongside Mindy Audlin and her leadership in our Sunday meditations. During her final moments, several church members sang to her, providing comfort as she transitioned. In her memory, Holly Wilson generously donated funds for a gazebo, which was constructed in 2009. The cedar for this structure was sourced from the Hamilton Pool sawmill, and the Unity Men's Group, including Richard Newsum, David Conway, Jon Clayton, Ron Steel, Jim Fry and Bob Ochoa came together to build it. Maglin's spirit and contributions continue to inspire our community.
