

We will be resuming our in-person Sunday services Sunday, October 3 @ 11am.

There are **no reservations required** but we are asking for **proof of vaccination**, so please bring your vaccination card with you or a negative Covid test--taken at least 72 hours prior.

We will be masked, and at this time we are asking our **children, as well as our vulnerable members to watch the services online from home.**

If you would like, you can send a snapshot of your vaccination card to Llea at business@unityofwimberley.com
